Dear Sarah,

On behalf of Primary Producers SA (PPSA), I request an extension to submit a response to the Draft State Planning Policies.

PPSA is the peak commodity association in South Australia. PPSA members are South Australian commodity organisations and includes: Grain Producers SA, Livestock SA, Horticulture Coalition of SA, Wine Grape Council of SA and the SA Dairyfarmers' Association.

PPSA reviews cross-commodity issues that affect more than one sector. The State Planning Policies have an impact on all sectors and as such PPSA would like to make a submission. Planning issues come under the auspices of the PPSA Natural Resource Management Committee. This committee is meeting on Monday to consider our submission. We therefore request an extension to Tuesday 25th September to ensure we have incorporated the views of all our member organisations.

Could you please advise by return email, that we have been granted an extension.

Kind regards

Trudy
