Q14 Please enter your general feedback here

I would like to be able to park my tiny house on wheels (THOW) in someone's property with or without access to services as my THOW will be off grid but also I would like to know if one day I want to buy a piece of land I can feel comfortable to know that I can park my THOW without any problem.

I would appreciate if the government can support us all with helping us by including us and differentiating is from Caravans so that we can live legally and without any problems.

Thanks

Juliana Farelo
