Submission on Planning and Design Code --Phase 3

In response to the draft Planning and Design Code -phase 3, I wish to register my strong objection to the following issue, which will substantially affect the area in which I live.

I request that you move my residential area of the City of Burnside, to the Suburban Neighbourhood Zone NOT to the General Zone, to match existing conditions.

I have lived in the Burnside Council District all my life, and believe in preserving the character of this historic area for future generations.

Your faithfully

Kathleen M Branson
