I live within the proposed housing diversity zone in the Mile End suburb. I believe that having lived within the suburb my entire life and having had a family history of property in the suburb for over 100 years it is should be zoned into the suburban neighbourhood zone in keeping with the rest of Mile End.

I find it difficult to see a suburb with many heritage houses to fall into the housing diversity neighbour zone such as the case with some sections of Mile End. All of Mile End and the many character houses must be maintained within the same ‘Suburban Neighbourhood Zone’.
