Q14 Please enter your general feedback here

Regarding DTS/DPF 18.1 (a) do not exceed 7m in width or 50% of the sites frontage (whichever is less)

Requires clarification:
"sites frontage" - does this apply to site frontage at the street, or at the setback where the garage is constructed?

Recommendations:
Should not apply at all to sites with frontages less than 12m
Q15 Do you have any attachments to upload?(pdf only)  Respondent skipped this question
