

# ADVISORY NOTICE BUILDING

02/15

Advisory Notices are issued to assist in the interpretation of the Development Act 1993

April 2015

## ADMINISTRATION: Building work supervisors for roof framing

This Advisory Notice provides advice about building work supervisors who can sign a checklist stating that the roof framing has been completed in accordance with the development approval.

### BACKGROUND

Regulation 74(5) of the *Development Regulations 2008* requires a person who completes the checklist for roof framing to –

- a) be a building work supervisor registered with Consumer and Business Services (CBS); and
- b) have completed training approved by the Minister.

### DISCUSSION

From **1 May 2015** the list of building work supervisors who have completed approved training in roof framing, which is currently available on the Government of South Australia website [sa.gov.au](http://sa.gov.au), will be removed.

Where roof framing work is being undertaken, a building work supervisor may need to provide the following evidence of their suitability to complete the supervisor's checklist for roof framing to the council in accordance with Regulation 74(5):

- A current building work supervisor's licence; and
- A certificate or written confirmation from the training provider of their successful completion of the roof framing training (provided by the Master Builders Association (MBA), the Housing Industry Association (HIA) or TAFE SA).
