Good Morning

Please find my submission to request all National Park and Wildlife National Parks, Conservation Parks, Recreation Parks, Heritage Agreements, ForestrySA Native Vegetation Reserves, Sanctuaries and other public land with native vegetation remain zoned as Conservation and not rezoned Rural.

The Rural zoning then allows for housing development which is not in the sentiment of the original zoning application.

Also by removing the referral to the native vegetation assessment for development with applying a stat dec by the applicant undertaking housing development, will there be resources available to ensure these applicants are honest and law abiding or rely on dibber dobbers.

Regards

Trudi Duffield
