**Subject:** Formal objection to changes to the Urban Planning and Design Code

Dear Sir/Madam,

We are lodging, in this email, a formal objection to all the changes to the Urban Planning and Design Code as they pertain to the Burnside Council area.

We would like you to take action to halt this whole process so that the whole community can meet and have their voice heard.

The changes as they stand will have a serious impact on the quality of life of the majority of residents in Burnside.

Regards,

Phil and Sharon Callen
