The draft Planning and Design Code cannot possibly be fit for purpose by 1 July 2019. The Code is trying to do two things simultaneously – collapsing all council development plans into one code while at the same time developing brand-new software for a 'tix-box' online portal. This is a mammoth task, and while Parliament may have thought this was achievable in 2017, a project of this magnitude obviously needs more than two years to design and implement. Community Alliance SA Inc. requests that the implementation of the Code be extended to give stakeholders the opportunity to work together and get it right.
