Subject: OBJECTION TO "Housing Diversity Neighbourhood Zone"
Date: Friday, 28 February 2020 6:13:20 PM

Hi,

I live at [REDACTED] MILE END 5031.

I do not want my area being MILE END to be a "Housing Diversity Neighbourhood Zone" and that its most appropriate to be classified as a "Suburban Neighbourhood Zone" in keeping with Torrensville, Thebarton and adjoining neighbourhoods.

I chose to buy and live in a community with heritage, parks and a visible skyline from my property and not multi story buildings and dense living. If this is what I wanted then I would have bought & lived in the Adelaide CBD.

I OBJECT TO THE PROPOSAL

Regards,

Dimitrios Grivas
