To whom it may concern.

I am writing as a resident of Black Forest for 38 years to inform you of my horror at the changes that are being suggest for Black Forest/Clarence Park.

Black Forest is such a wonderful suburb that does not need all these changes you are hoping to bring into our suburb....It is TOTALLY A MONEY GRABBING EXERCISE....if you had any understanding of life in Black Forest other than being involved in this money grabbing exercise you would not agree....the only thing we need is more trees, a leafier green environment.

What you plan to approve is just Block of Cement housing...how attractive is that. you only have to look at the mess Anzac Highway is turning into to see what I mean.... it is beyond my comprehension as to why anyone would think that is attractive and BETTER than what we already have here in Black Forest.

I STRONGLY OPPOSE ANY SUGGESTIONS OF CHANGING THE ZONING TO "GENERAL NEIGHOURHOOD ZONE"

Barbara Hodge.
