The above document indicates that parts of, or all, of many National Parks, Conservation Parks, ForestrySA Native Forest Reserves, Sanctuaries, and Heritage Agreements are to be rezoned "RURAL".

This is clearly not a good idea if we wish to save the many species of plants and animals that are currently heading towards extinction. We are already losing so much habitat and good quality native vegetation that is essential for the survival of these plants and animals.

Does your Liberal government really want to be remembered for enabling the extinction of so much of our natural heritage? Your children, grandchildren and so on would not be proud of you for doing that.

All current National Park and Wildlife National Parks, Conservation Parks, Recreation Parks, Heritage Agreements, ForestrySA Native Vegetation Reserves, Sanctuaries and other public land with native vegetation must remain zoned as Conservation and
