Animal Husbandry Subzone

As the Executive Officer for Pork SA Inc I wish to lodge the following feedback • There has been late consultation by DPTI leading to remaining uncertainties which is at odds with consultation over other legislation (Biosecurity and Farm Trespass) • A significant proportion of the pork industry lies within Council zones needing feedback in Phase 3 (March 2020) • Many of our issues are shared with Chicken Growers Council and we will be collaborating with them to submit in Phase 3.

Pork SA is working with PIRSA to better understand the changes. Case scenarios are being developed to see how the revised submission and assessment process works. As noted in other feedback in this submission, Pork SA is disappointed that consultation had not been undertaken by DPTI in the earlier development phase of this revision; this has led to much uncertainty on how the process will work for our industry. We remain keen to participate in consultation processes. Andrew Pointon EO Pork SA
