Hi,

I live at [REDACTED] TORRENSVILLE 5031.

I do not want my area being TORRENSVILLE to be a "Housing Diversity Neighbourhood Zone" and that its most appropriate to be classified as a "Suburban Neighbourhood Zone" in keeping with Mile End, Thebarton and adjoining neighbourhoods.

I chose to buy and live in a community with heritage, parks and a visible skyline from my property and not multi story buildings and dense living. If this is what I wanted then I would have bought & lived in the Adelaide CBD.

I OBJECT TO THE PROPOSAL

Regards,
