I do not want my current council's Development Plan to be replaced by a generic state-wide code. After living in Melbourne for 5 years, it was refreshing to come home to Adelaide, with its character-filled suburbs. I don't want my neighbourhood to be turned into a generic developer's paradise. I want my neighbourhood's heritage and character to remain. I want my council's mandate to protect our neighbourhood to remain. I do not want to see increased subdivisions, tree removals, traffic, parking congestion and larger buildings. This new code will allow that. Unless the above issues are addressed and the draft Code is amended to reflect these concerns, there will be an unacceptable loss of local character and amenity in my neighbourhood.
