Q14 Please enter your general feedback here

In this council area we have already seen the effects of urban in fill with insufficient parking for vehicles on owners property. This leads to chronic road congestion and clearing of trees. Many canopies have disappeared, leading to loss of habitat for koalas, birds and other creatures. We have 9 double story residences on 1 block, if parked in the “drive” another vehicle cannot get past. We need breathing space.
Q15 Do you have any attachments to upload?(pdf only)  Respondent skipped this question
