When we purchased our home in 2019 there were no restrictions on our property. We purchased our property knowing that we would be able to subdivide the land should we wish to do so. We would still like to be able to have that option to do so should we wish to in future and do not want our property to be impacted by these proposed changes. We only purchased this property only 6 months ago and were influenced by the fact that we would be able to demolish and subdivide should we wish to in future.
