**Cc:** DPTI:Planning Reform  
**Subject:** Zoning

**Categories:** Red Category

Please protect all National Park and Wildlife National Parks, Conservation Parks, Recreation Parks, Heritage Agreements, ForestrySA Native Vegetation Reserves, Sanctuaries and other public land with native vegetation by having them remain zoned as Conservation and not rezoned as Rural.

Having national parks are also important for human health. Going for nature walks has helped my physical and mental health.

Kind regards,

Carole Barker
