Dear Commissioner and State Planning Commission Members.

Re:

ASSESSMENT PATHWAYS – HOW WILL THEY WORK – TECHNICAL
DISCUSSION PAPER**

Community Alliance SA is an umbrella organisation for resident and community groups from Adelaide and other areas of South Australia, whose aim is:

'To Put the People Back into Planning and Development in SA'

The Community Alliance SA (CASA) has not made a submission on the above consultation papers but is happy to fully support submissions made by the:

- Environmental Defenders Office (SA)
- Prospect Residents Association.

CASA commends both submissions to the State Planning Commission for consideration and hopes that the suggestions made will be implemented and acknowledged.

Yours faithfully
