Did this department REALLY get its operation plans from the utopia TV show????

I think I have my ear to the ground and I heard about the 'consultation' meeting 30 mins before it finished (5km from me)

Ultimately, it appears that the only 'consultation we will have is when we sack the minister for incompetence !

we have just had the same 'consultation process for the NRM - after consultation, the minister had to dump 90% of his proposals . I

suspect that this minister will not have the benefit of consultation and will produce little more than rubbish which will need drastic modification.

Q15 Do you have any attachments to upload?(pdf only)
