Please uphold (reinstate) and enforce the long standing and much flouted “Objective 1” for “Residential Policy Area 22” within the current “Development Plan - Burnside (City) - Consolidated – 19 December 2017”

(Zone 22 is bounded by Glynburn Road, Cooper Place, Devereux Road, and Dashwood Road in Beaumont South Australia.)

Ignoring the specifically listed areas such as:

a. the precedent, “on rising ground towards the south-eastern corner” for “one or two storeys”;

b. “Beaumont Common” itself;

c. “Beaumont House”; and

d. land with frontage to Greenhill Road (which seems irrelevant to this Policy Area anyway)

the single compulsory objective would read:

“Maintenance and enhancement of the low scale, low density residential character that is derived particularly from:

(a) one-storeyed, detached dwellings, predominantly from the post-war period, in a variety of styles, ...;

(b) streetscapes enhanced by open, well-established, front gardens, grassed verges, and views of public open space;

(c) the existence of Beaumont Common and stands of indigenous trees throughout much of the eastern part of the Policy Area.
