Aircraft Noise Exposure Overlay

There should be no reduction in amenity through increased aircraft noise, both in the amount of noise and the period of noise experienced by the communities living around the airport.

Q10 Please enter your feedback for zones and subzonesclick next at the bottom of the page for next topic

Housing Diversity Neighbourhood Zone

I believe that the Mile End/Hilton/Torrensville/Cowandilla area is being proposed for change to a Housing Diversity Neighbourhood Zone. I oppose this in the strongest terms and note it flies entirely in the face of recent character zoning applied to the area. I should also note that I made an investment decision to purchase another property in the area on the basis of its zoning and believe this proposed zoning change diminishes the value of my investment.
