Subject: FW: Planning Code
Date: Friday, 28 February 2020 1:32:39 PM

Good afternoon,

Please find below an email from our Constituent Mrs Jo Haas.

Could we please receive a response from Minister Knoll.

Thank you,
Dian

Dian Naramiecki | Assistant

Hon David Pisoni MP | Member for Unley
Minister for Innovation and Skills
372 Unley Road, Unley Park SA 5061

Code is being rushed and whilst it is being fine tuned, Adelaide is loosing its appeal, both to Adelaidians and tourists, are grandchildren will not know the gracious beauty of our suburbs. Take the time to get it right!!!

The new medium density builds are not addressing Environment safety.

Tree removal causing temperature rises.

Blocks being approx 95% covered and limited water catchment on fences, will cause flooding as these is not enough ground exposed for water to seep into water table. Water table will dry out, buildings will crack, and the extra water going out to see is causing issues with the sea Code is being rushed and whilst it is being fine tuned, Adelaide is loosing its appeal, both to Adelaidians and tourists, are grandchildren will not know the gracious beauty of our suburbs. The new medium density builds are not addressing Environment safety.

Tree removal causing temperature rises.

Blocks being approx 95% covered and limited water catchment on fences, will cause flooding as these is not enough ground exposed for water to seep into water table. Water table will dry out, buildings will crack, and the extra water going out to see is causing issues with the sea plants.

Extra air conditioning will be needed to cool these buildings, as limited eaves, if any, increasing green house emissions.

South Australia is known for excellent wines, keep tourist dollars here by providing environmental responsible, aesthetic designs

Yours in keeping SA beautiful
Jo Haas
