Q14 Please enter your general feedback here

I strongly object to the proposal to transfer Linden Park (& similar suburbs) to the proposed General Neighbourhood Zone as the new zoning would allow for crowded development which would not be in character with the currently existing more open character. Additionally there would be a corresponding loss of garden space and its effect on suburban wildlife.

Linden Park and similar suburbs should be considered as a Suburban Neighbourhood Zone to preserve the current character of the area and lifestyles of the people who have invested in the area.
