Planning and Design Code for South Australia

Please enter your general feedback here

I would like to make a submission for Phase 3 planning + design code urban code.
I would like to see smaller allotments in this area, say 1 acre blocks as this would tidy up the Kudla area, at the moment the roads are dirt and there is a lot of dust and it is not good for peoples health. The water supply is very expensive to install. there is no sewerage or street lights, but we are paying Residential Rates to the Gawler Council.

B. J. Bell
